REMARKS

Claims 82-104 are pending in the present application. Claims 82-84 and 88-93 have been amended herein to correct discrepancies in references to sequences identified in the present application. These amendments are fully supported in the Specification as filed. No new matter has been added.

Applicant respectfully submit that the present application, as amended herein, should be in condition for allowance. If the Examiner believes that a telephone conversation with Applicants' attorney would be helpful in expediting prosecution of this application, the Examiner is invited to call the undersigned attorney at (617) 248-7045.

Respectfully submitted,

Dated: February 10, 1998
